PORTFOLIO

MUHAMMED SALMAN

INTRODUCE

A Creative Strategist who works at the intersection of ideas, design, and business objectives. I help brands move from noise to meaning by building clear narratives, strong visual identities, and communication strategies that actually convert.

CREATIVE STRATEGIST

ABOUT ME

**CREATIVE BY NATURE.
STRATEGIC BY MIND.**

I'm a Digital marketer and self taught Creative strategist. I began by creating content, writing copy, and designing visuals on my own, learning how ideas turn into real work. While studying, I freelance and focus on strategy led creatives that feel clear, relevant, and well thought out.
